	<p>The average prices shown above for the 12 months of service includes the energy charge, which includes energy costs and all recurring TDU fees, and monthly base charges as shown. Except for price changes allowed by law or regulatory action, this price is the price that will be applied beginning with your first day of service. TDU Delivery Charges will be passed through to customer as billed from the Transmission and Distribution Utility (TDU). For updated TDU delivery charge factors go to the TDU Charges link below. Average prices per kWh listed above do not include facility relocation fees or other charges ordered by a municipality (if applicable). There is a \$15.00 per month minimum usage fee that will be assessed against your account if your billing cycle usage is below 475 kilowatts.</p>
